Subject: colorprintingforum-The Confirmation Of Intellectual Property in China

Dear CEO,

(If you are not in charge of this, please forward this to your CEO, because this is urgent. Thanks)

We are a Network Service Company which is the domain name registration center in HongKong,China. On July 10th,2012,we received an application from Meihua Holdings Group requested "colorprintingforum" as their in ternet brand keyword and China.(.CN)domain names.But after checking it, we find this name conflict with your company name or trademark. In order to deal with this matter better, it's necessary to send email to you and confirm whether this company is your distributor or business partner in China?

Looking forward to your reply

Best regards,

Ross
